

BAGCAT points

When the ASA originally introduced the BAGCAT points system it specified which events were to be designated as point scoring events at County level.

Over the years, and in accordance with the Long Term Athlete Development Plan, the County has added additional events to our swimming programme for the BAGCAT age groups (Boys 9-14 years and Girls 9-13 years). However, these additional events remained as non-scoring events for BAGCAT points.

We have now received confirmation from the ASA that all events swum by BAGCAT age group swimmers in the Essex County Age Group Championships can be designated as scoring events.

The County has decided to apply this with immediate effect and has re-calculated the points to include all swims from Block B. The revised points position as at the end of Block B 2009 is therefore attached.

Please do not hesitate to contact me if you have any queries regarding the above or with BAGCAT points generally.

Jan Eddy
On behalf of
Essex County ASA
