

## **Record Administrators Report.**

The following performances, notified to me, have been ratified as Essex County Records during 2008 (As at 30<sup>th</sup> November 2008)

2008 has seen 17 County Records being broken, 9 long course and 8 short course. The 17 records were shared between three swimmers: Sophie Drake, Daniel Fogg and Roberto Pavoni.

Can I once again remind all swimmers, coaches and parents that you need to claim any records that have been broken that were not swum in the Essex County Championships within 40 days of the date of the swim. If you believe you may be eligible to claim a County record, please familiarise yourselves with the Rules as there are strict criteria governing the claiming of records, particularly for swimmers who are not currently training with their Essex club.

Finally, I would like to take this opportunity to congratulate all three swimmers, particularly to Roberto and Daniel on their international achievements in 2008.
