

Record Administrators Report.

The following performances, notified to me, have been ratified as Essex County Records during 2007 (As at 31st December 2007)

2007 has been yet another successful year with 23 County Records being broken, exceeding 2006's total of 19.

Roberto Pavoni once again had an outstanding year, breaking a further ten records, one of which was also a British and English Junior Short Course Record and two being British Age Group Records.

Can I once again remind all swimmers, coaches and parents that you need to claim any records that have been broken that were not swum in the Essex County Championships within 40 days of the date of the swim – please see the Conditions in the County Handbook or the County website.
